Common festivals are discus in our current research that is celebrate each year in Pakistan.

In 712 A.D, Muhammad bin Qasim first lock up Daibul. Afterward the triumph of Muhammad bin Qasim from the many parts of sub continent like Sindh. Sindh is also called the Baab-ul -Islam. When Muhammad bin Qasim occupied Sindh, the neighboring people, who had existed a life of unhappiness, inhales a sigh of release. Qasim was tracked a merciful rule and treated as the local inhabitants kindly. In 1526 after the victory of first Mughal empire, Zaheer-ud-din Baber in Panipat battle. Baber breaks all drinking pot of his army and due to his struggle, his army won in battle Kanawha. In 1527, that was actually the complete and confirmed victory of Panipat battle and Baber become the king of India. in 1528 he occupied the Bihar after won the battle of Ghagra and this made his the master of Hindustan. In 1530, Baber died and his son Humayun holds the Mughal ruling his general Sher Shah Suri defeated him in 1540 and occupied the Delhi and Agra during the reign of this Sher Shah Suri this familiar sight approved as subcontinent. The biggest trunk road from Delhi to Kabul was made on that era in 1556 Akbar was taken over this subcontinent he was also a prominent Muslim king of Mughal era most of development in Art and architecture music poetry was fond during his reign. In 1581 Islam religion wanted to changed by mixing Islam to Hinduism Muja did Alf-e-Sani the reformer of second millennium changed the concept by his movement. Iqbal said about him as spiritual guardian of Muslim during the reign of Akbar. 1757-1823 British occupied the subcontinent and they became the king of 2/3 region of India. Pakistan emerge the map of world in 14 august 1947 the main concept in partition of subcontinent is “two nation theory” was actually the ideology of Pakistan (the history of muslim rule india pak subcontinent, 2009).

In 1909, iqbal said, “difference of two nations Indian and Muslim not prominent and some nationhood is common but this idea become void in near future” (Role of Allama Iqbal in The Creation of Pakistan, 2009).

The famous slogan was "Pakistan ka matlab kiya, La illaha illallah" during the freedom movement. Pakistan ideology was foundation on the reality that the Muslims were another nation having their own background, culture, civilization, journalism, faith and way of life. They cannot be compound in any other nation because attitude of life is base on the values of Islam.
As the Muslims of India set up it difficult to live according to the principles of Islam in United India, they were required to require a divide home to maintain their general and spiritual identity (Pakistan Ideology: Definition and explanation, Two nation concept).

Quaid-e-Azam said in 1942 Islam gives us knowledge of equality fair and just to everyone we want a supportive place where we apply our rules and regulations according to Islam. in 1947 he said we not actually wanted a piece of land but wanted to made a laboratory where we can do our experiments of Islamic principles ("Quaid-e-Azam Ka Pakistan" in his own words, 2009).

Islam and Love:

Islam is best religion of love and humanity.

Prophet P.B.U.H. said if somebody loves his brother, he must inform him about his love (Abu Dawood 5124 Al tirmidhi 2329). The Prophet (Peace is Upon Him) said: “By the One in whose hand is my soul, you will not come in heaven until you really think, and you will not really think until you love one another. Shall I not tell you of something that, if you do it, you will love one another? Increase the greeting of word Salam amongst yourselves.” (Narrated by Muslim). Tell the believers to lower their eyes and protect their private parts. (An-Nor; 30). The glance is a poisoned arrow of Satan. Whoever lowers his gaze for Allah, He will bestow upon him a refreshing sweetness, which he will find in his heart on the day he meets Him." (Hadith). For those who love each other, nothing has proven as good as marriage. (Sunan Ibn Majah). Do not come near to adultery. It is a great sin and an evil way. (Surah Israa, Verse 32). (Valentines day - History and Islamic Perspective, 2011)

April fool day-1st April

April is word of Latin derived from the Aprilis or Aprire which means blooming of flower. On the arrival of spring the ancient Roman nation worshiping the God of wine and for pleasing him they used wine and sustain for pranks do childish activities. Gradually this mock became prominent. According to international encyclopedia first April is become the practical joke day in European country. In this day relaxation for doing unethical activities and made the people fool with the help of fake joke. 500 years ago When Christian army occupied the Spain they shed the blood of Muslims in this manner the horses of the winner army knees sink in the blood of Muslim. When the winner army realized that no Muslim left in this region they ordered to imprisoned Muslims to go back their native Marrakesh. The winner army left him at a hill 20 km far from Grantham. No muslim left in the spain some who are muslim but they apparently changed their identy so the inteligence of winner army planned to get rid from those apparently changed muslim they announced the muslim gathered in Garnatha on 1st April, so that those army send him in the muslim country. (april fool and its reality, 2009) Many theories are written by history writer Noah was the first april fool after the flood he sent a dove to check out the dry land by mistake. Another tale is famous about the major changing was taken place in Gregorian calendar some days of October was removed or replaced in new style calendar in 1582 it was officially adopted the day of new year's shifted from 1\textsuperscript{st} April to 1\textsuperscript{st} January, but the people mistakenly celebrated on 1\textsuperscript{st} April. So, the neighbor and friends said as April fool on 1\textsuperscript{st} April. (henderson)

Islam and Lying

Lying is any wrong information giving someone that is not match to reality.

The great sin is lie. Do not mix the truth with false. (Surah Bakarah). Allah curse for lair (Surah Al Imran) But it will prevent punishment from her if she gives four testimonies [swearing] by Allah that indeed, he is of the liars. (Surah Nur 24:8) (surah) The signs of the hypocrite are three: when he speaks, he lies; when he makes a promise, he breaks it; and when he is entrusted with something, he betrays that trust.” (Narrated by al-Bukhari, 33; Muslim, 59) It was narrated that Asma’ Bint Yazeed said: “The Messenger of Allah (peace and blessings of Allah be upon him) said: ‘It is not permissible to tell lies except in three (cases): when a man speaks to his wife in a way to please her; lying in war; and lying in order to reconcile between people.’ (Narrated by al-Tirmidhi, 1939) This hadeeth was classed as hasnay by Shaykh al-Albaani in Saheeh-al-Jami’, 772 it was narrated that ‘Abd-Allah ibn Mas’ood said: The Messenger of Allah (peace and blessings of Allah be upon him) said: ‘Truthfulness is righteousness, and righteousness leads to Paradise. A person will continue to tell the truth until he is written with Allah as one who tells the truth. Lying is evil doing, and evil doing leads to Hell. A person will keep on telling lies until he is written as a liar. (Narrated by al-Bukhari, 5743; Muslim, 2607) It was narrated from Umm Kalthum Bint ‘Uqbah that she heard the Messenger of Allah (peace and blessings of Allah be upon him) say: “He is not a liar who reconciles between people and narrates something good or says something good. (Narrated by al-Bukhari, 2546; Muslim, 2605) It was narrated from Abu Hurayrah (may Allah be pleased with him) that the Prophet (peace and blessings of Allah be upon him) said: “Whoever tells lies about me, let him take his place in Hell. (narrated by al-Bukhari, 110; Muslim, 3).
It was narrated that Mu’aauiyah ibn Haydah said: “I heard the Prophet (peace and blessings of Allah be upon him) say: ‘Woe to the one who talks to make the people laugh and tells lies, woe to him, woe to him. (narrated by al-Tirmidhi, 235. He said: this is a hasan hadeeth. Also narrated by Abu Dawood, 4990).who lied concerning Allah with their faces blackened. Is not the home of the scorners in hell? (60) Az-Zumar (bile, 2012)

Islam and Pranks

Who victimize the other Muslim with use of hand and tongue who not belongs to us (Saheeh al-Bukhree 1/10)

Bible and lying

But no human being can tame the tongue. It is a restless evil, full of deadly poison. James 3:8 And the serpent said to the woman, You shall not surely die Genesis 3:4 You shall not steal, neither deal falsely, neither lie one to another. Leviticus 19:11 I hate and abhor lying; but your law do I love. Psalms 119:163Lying lips are abomination to the LORD: but they that deal truly are his delight. Proverbs 12:22A righteous man hates lying: but a wicked man is loathsome, and comes to shame. Proverbs 13:5 (Bible Verses on Lying)

Bible and Pranks

Do nothing from rivalry or conceit, but in humility count others more significant than yourselves. Philippians 2:3 (Making Fun Of Others)

Those who make fun of others will be judged. Foolish people will be punished. Proverbs 19:29 (Proverbs 19:29)

Discussion

On the basis of Quran Hadees and bible that has too followed in minorities of Pakistan we analysis these festivals are violated the Islamic rules and principals but also give some other negative effects on society.
Valentine’s Day recognized in Pakistan different packages published in newspaper for advertisement of courier services. Few people belong to elite class and who used the internet that knew only about Valentines Day. Even the minorities of Christian lives in Pakistan not familiar with this event. Free mixing of men and women with the purpose of expression of love is not allowed in Islam.

Each year Basent festival promoting by government with the name of Jashan a baharan and many hotel restaurants and multinational companies promote this event by giving discount and some different packages. This event is destroy our cultural values in this way Pakistan is country based upon Islam. The prophet S.A.W love and respect is essential part of Muslim life and the behavior adopt to other one seem to be separated from Islam. Basent festival is based on Pakistan in the memory of blasphemer also firstly introduced by non Muslims. Other cultural alteration due to people enjoy kite flying festival along with dance music fire work all these activities also prohibited in Islam. Islam is belief of nature its provides relieve and fair fun game or joy. On basent, it was celebrated as Hindu celebrated for their goddess Saraswati then it limits according to Islam. From many news and articles, it was clear that in Basent festival people enjoy loud music and dancing it is not Islamic and the cutting the kite of each other and this cutting kite was the possession of that person who holds it was the rule of this game it seem unethical also the player used specific word for cutting the kite of some one. According to these reasons this game should be consider as non Islamic or Haram game. Another reason that counts to discourage this festival is lot of human and economic losses.

Lying with others with purpose of fun is also prohibit in Islam, but this festival may leads serious harm of some one that makes this another critical point due to celebration of this festival.

Conclusion and Suggestion

We reached at this point that these love Day, kite flying festival and April fool day are against Islam and its celebrations gives negative impact on Islamic society as well. So being a true Muslim and Pakistan patriotic must avoid celebrating these festivals in Islamic republic of Pakistan. Further research is need to explore the factor that diffuse these festivals in Pakistan and more critical analysis of these festival will be need to explore.
